

Calendar of Dates for Prayer and Action: 2022

Collated by CCOW

In this calendar, 'Special Sundays' and days around which individuals and churches might like to focus prayer and action are listed in bold type, with resources for those days in regular type. **Green** listings indicate dates relating to environment, agriculture and food; **dark blue** Fair Trade and trade; **orange**, refugees and asylum; **light blue**, peace and peacemaking; **red**, health; and **purple**, the persecuted church and religious freedom. Global events about which churches might wish to pray are in italics. Major events in the church year are in italics in colours often associated with those events.

Links go directly to the resources for the given days, except where those are not yet available, in which case the links go to the relevant organisation's main pages.
