

2021: Some Dates for Prayer and Action

Collated by CCOW

This calendar is presented as a service – we hope it will be helpful to church leaders and members as they plan their personal and corporate prayer, worship and activities over the coming year. The idea isn't that everyone will do everything – but that from the overview, people note where they feel called to respond.

“Special Sundays” and days around which churches might wish to focus prayer and/or action on a particular topic are in bold and regular type: **green events** relate to environment and food issues; **blue** to peace and peacemaking; **red** to health, **light blue** to Fair Trade and trade justice. Some global events about which churches might wish to pray are in italics. Major events in the Church Year are in white on coloured backgrounds. Links go directly to resources for the given days (except where those are not yet available).

To send in corrections or to suggest events/ resources for inclusion, email info@ccow.org.uk. To read or sign up to receive our weekly prayer email, go to our website, www.ccow.org.uk.
