

In this space we remember the perilous journey facing so many refugees today

Take a **strip of ribbon** in your hand

As you tie it to the boat, say a prayer for:

- men, women and children fleeing for safety in Europe
- people risking their lives to rescue and care for them
- countries struggling to accommodate refugees, especially Greece, Turkey, Italy, and Germany
- smugglers and traffickers preying on the vulnerable and powerless - that God would break bonds of oppression and turn their hearts
